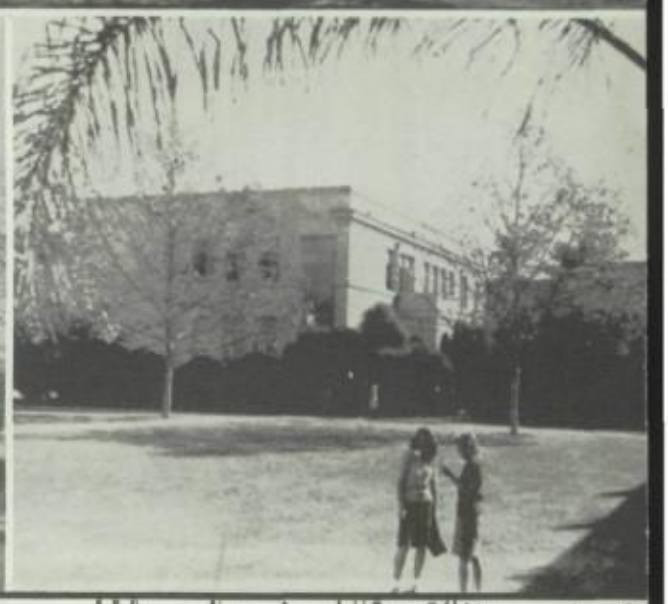
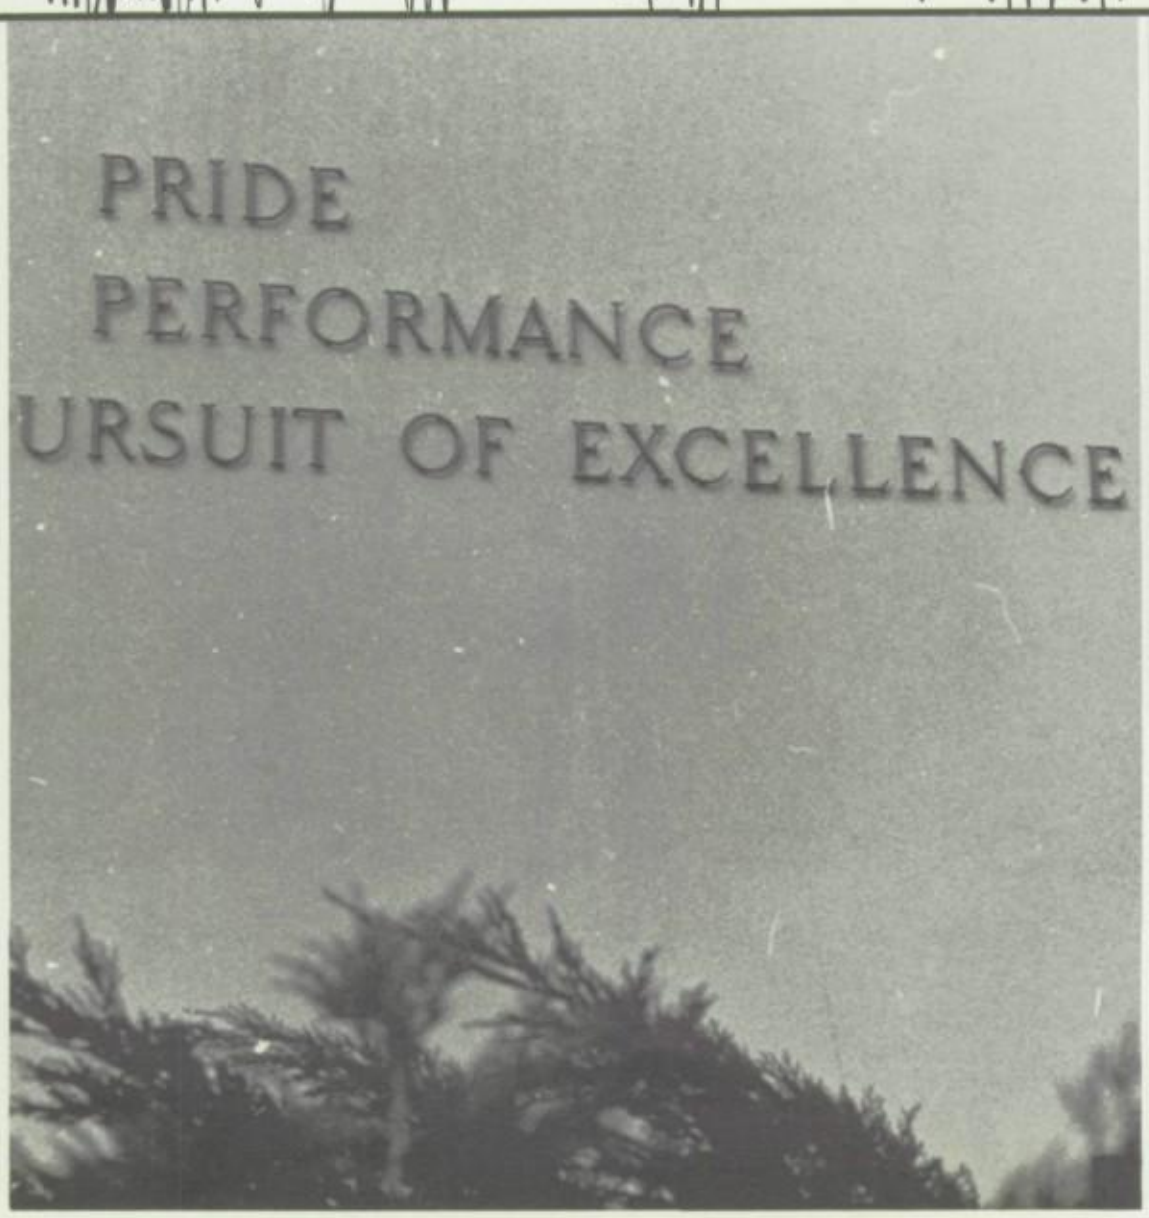
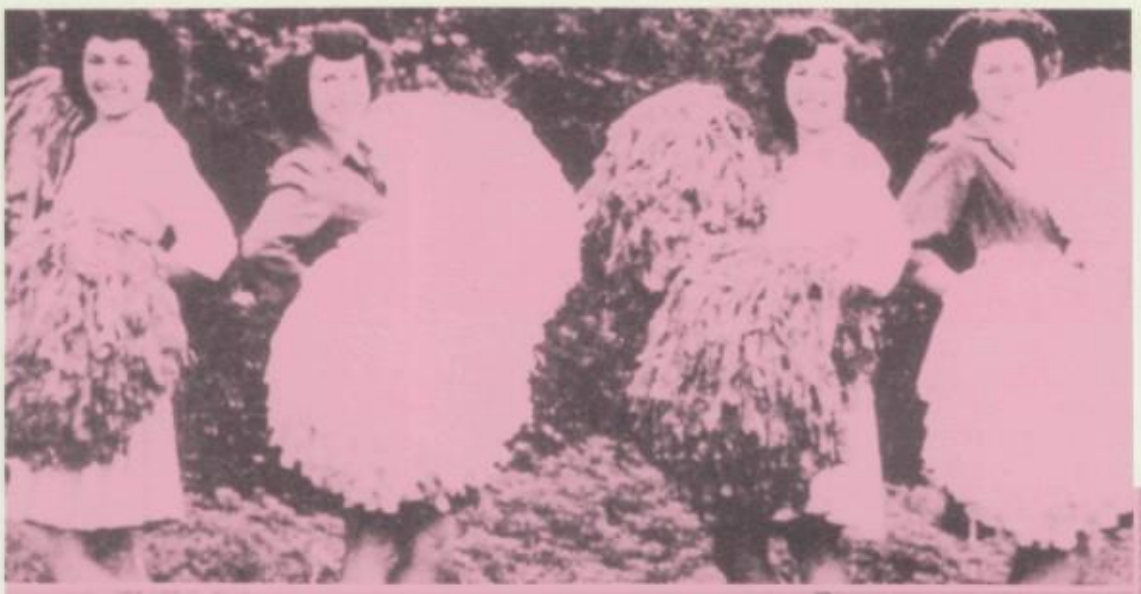
GARDEN GROVE Union High School opened its doors in September of 1921. It was located where Lincoln Elementary School now stands, but was moved to the ten-acre Otto-Smith site on Stanford Avenue the following year. Our school consisted of two permanent buildings, the shop and the two-story main building. The population of Garden Grove in 1921 was 800. The first class to leave Garden Grove High School consisted of six graduates.



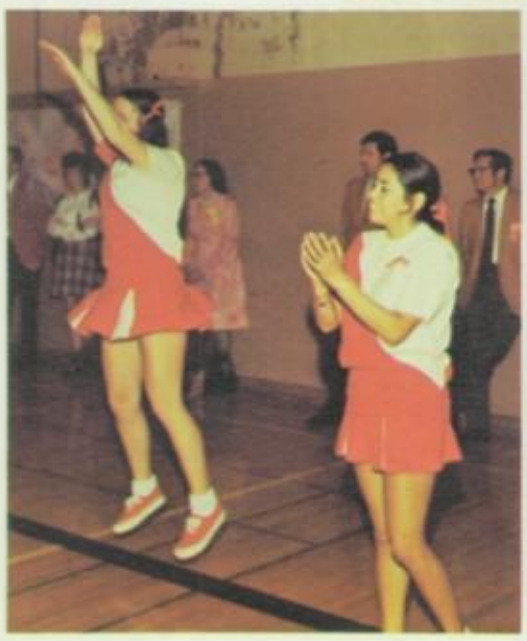


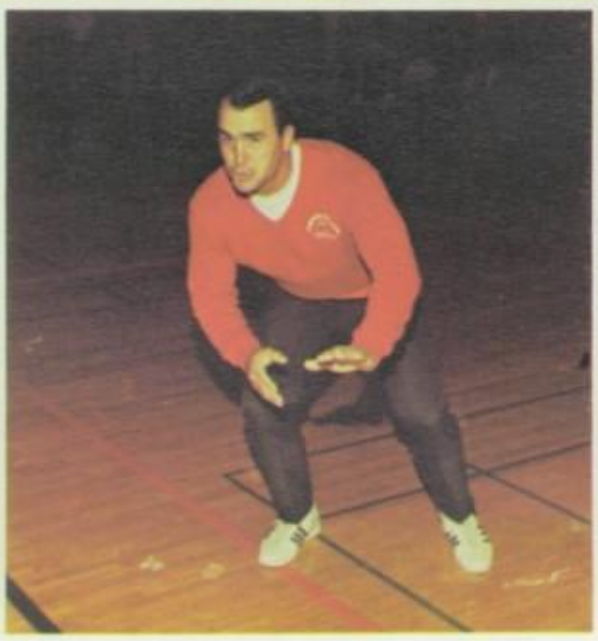
FIFTY YEARS later, Garden Grove High continues to maintain high aspirations. "Pride, Performance, and Pursuit of Excellence" is our ever-repeated motto. The campus has grown larger and more beautiful. The class of 1972 has almost 500 graduates and the population of Garden Grove has skyrocketed to 123,200 people.

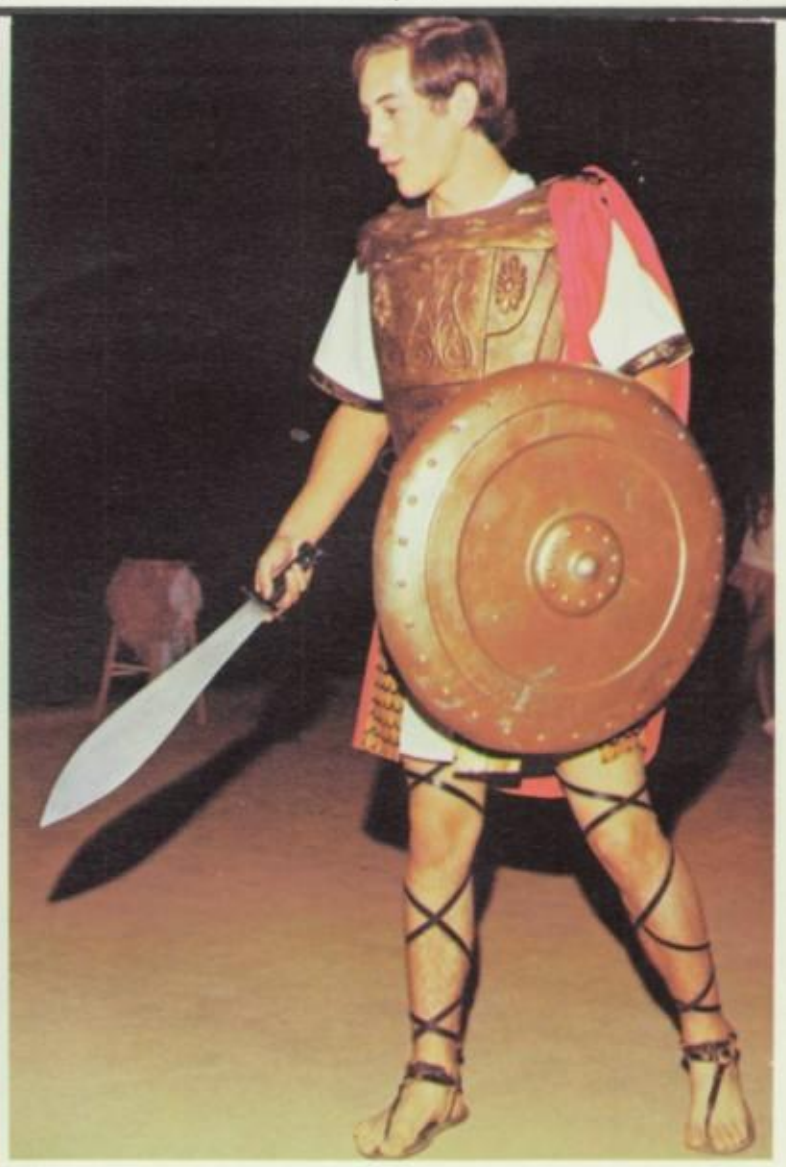
ONE OF the most vital elements of a school is its spirit. Promoting that spirit are the members of the pep squad. Practice, hard work, and keeping up good grades are important factors influencing the members who must have talent, initiative, and above all an overwhelming pride for their school.



G-A-R-D-E-N; Garden!
G-R-O-V-E, Grove!
That's the way we spell it
This is the way we yell it—
Garden Grove!

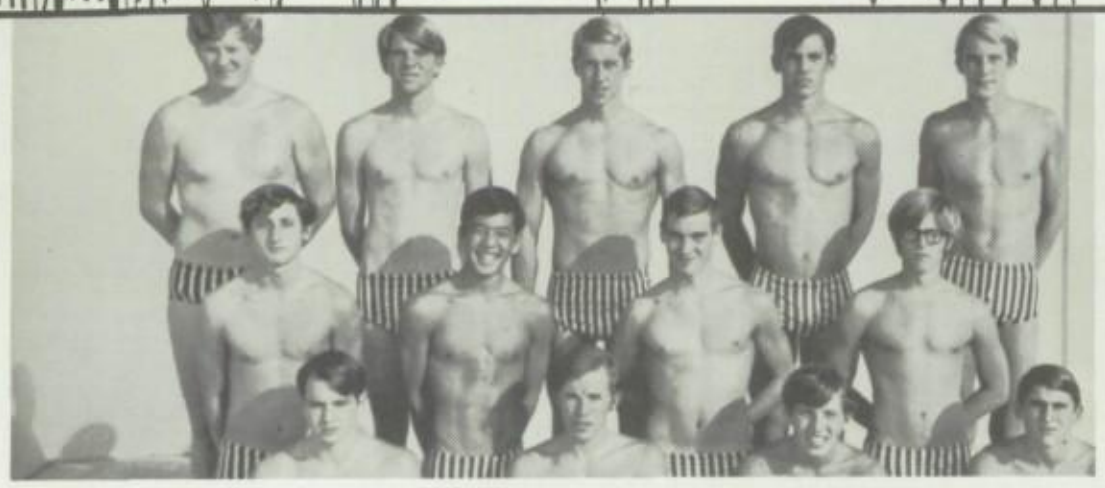


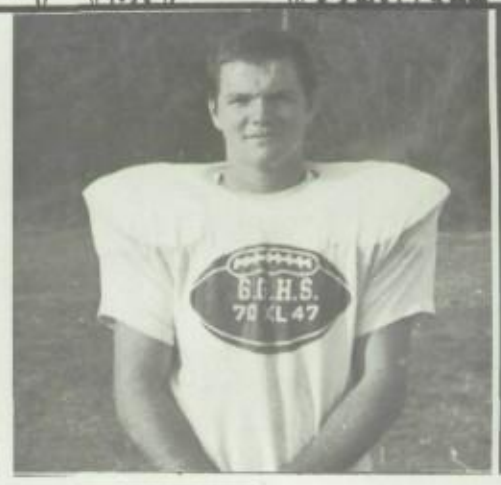


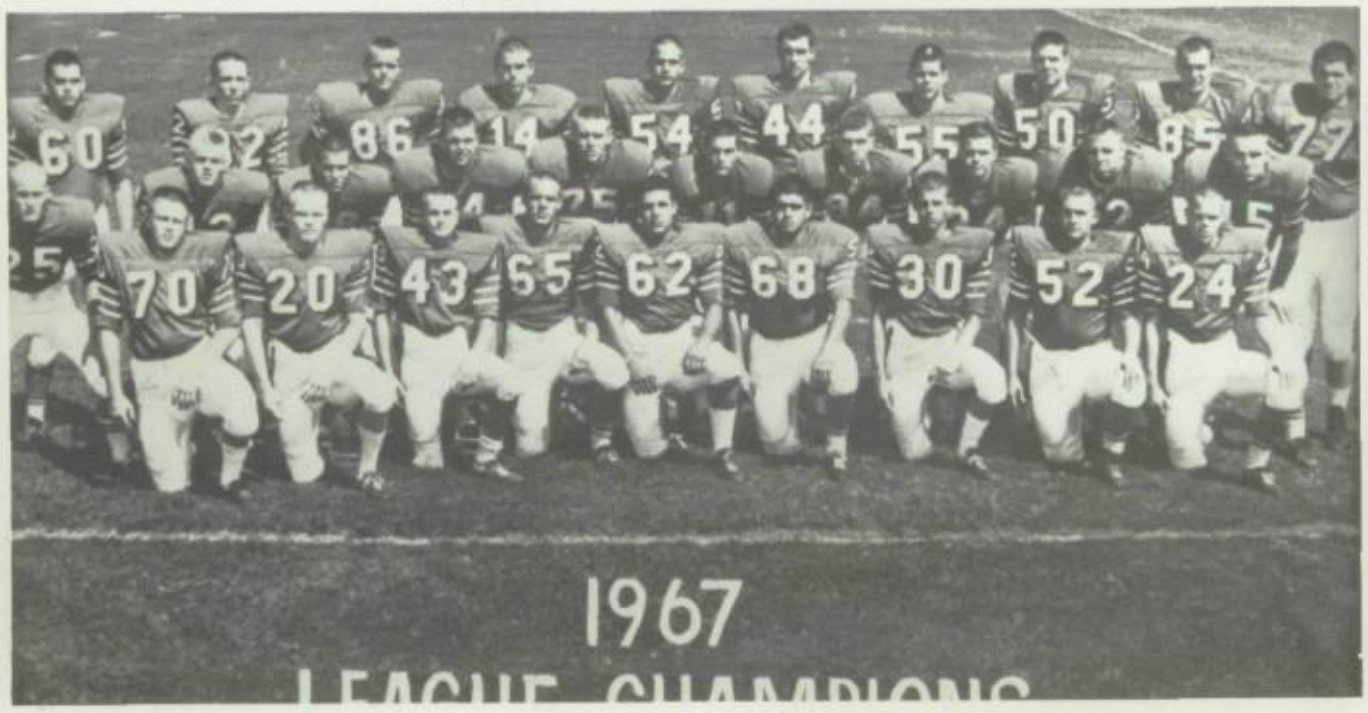


BLESSED IS THE MAN WHO BY EXCELLENCE OF HAND AND SPEED OF FOOT TAKES BY STRENGTH AND DARING THE HIGHEST OF PRIZES.

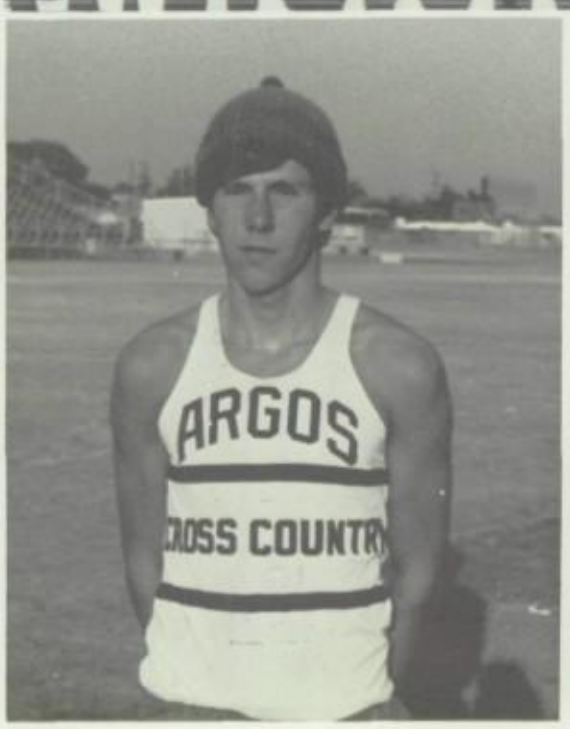
PINDAR 438 B. C.







THE ARGONAUT warriors have had victories and defeats. We've suffered heartbreaks and celebrated feats of prowess. Win, lose, or draw, no one can ever say that an Argo didn't give his all.



G.G. PEPPER BAND

TODAY THE Argonaut band and Titan drill team provides not only entertainment at pre-game and half-time shows, but they enter and do an excellent job in representing Garden Grove High in parades all over Southern California. In the many colorful musicals we have presented, the orchestra has added emotional impact. Leadership qualities and musical talent have brought many honors to our school.

EVEN FROM the first year, Garden Grove High has had a band and orchestra. The first one organized was known as the Garden Grove Chili Pepper Band. They provided musical delight for the operettas and pep rallies. The band and orchestra continued to grow both in size and in talent over the years.

THERE ARE many things to be remembered when Argos look back on their high school days, but the most outstanding in their memories are probably the activities in which they were involved. They have been and are still an important and exciting part of our school's everyday cycle. These activities have been centered around several different areas from old-time operettas to fund-raising projects.

Argonaut

SOME OF the activities that present day Argos participate in are going to games, dances, and plays. Clubs and classes compete as do varsity lettermen and faculty in Donkey Basketball. Probably the most exciting activities at GGHS now are the CO-ED, Prom, and Homecoming.

GARDEN GROVE HIGH SCHOOL
WHO WILL WIN FR. SO. JR. SE
NOV 5 HOMECOMING GAME SA AT 66
AFTER GAME: ALU. AT
DAVIC

GARDEN GROVE High School has sponsored many organizations throughout the years. They have all been beneficial to improving campus life. It is surprising what imagination our students must have had to think of such clever names as Harry's Future Flops and Argowits.

THESE ORGANIZATIONS deserve recognition and many thanks for their fine humanitarian efforts to the betterment of Garden Grove High school. They help spark student interest and involvment in making GGHS the exciting experience that it is.

Principals

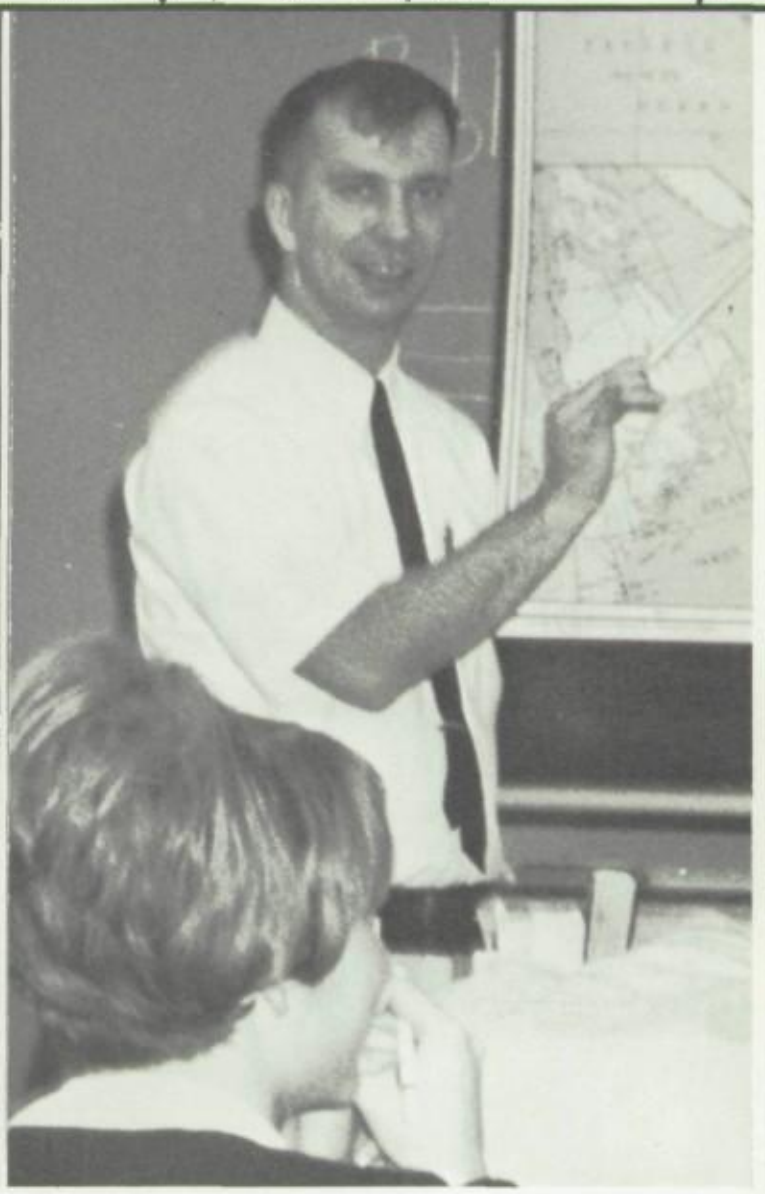
Dr. Leroy Doig 1928-1955
Mr. Don Jordan 1955-1958

Mr. Arthur Hoenschel
September, 1921-June, 1928

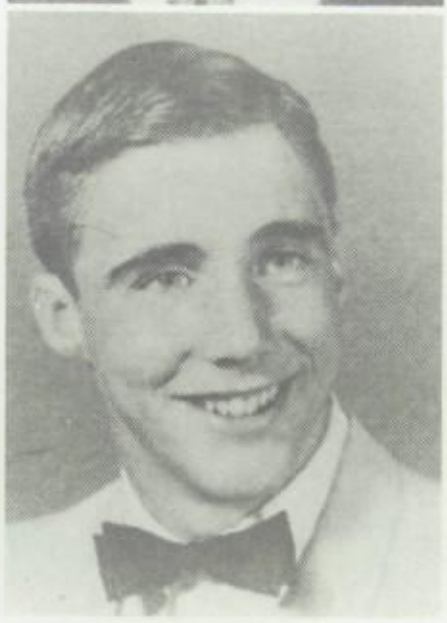
Mr. William McClain 1958-1961
Mrs. Eileene LaBarthe 1961-1966

STUDENTS ARE continually challenged by the interesting and provocative class sessions. Each year students are sent from Garden Grove High with a foundation of knowledge and skills that equip them for positions of prestige and honor in business and higher education.

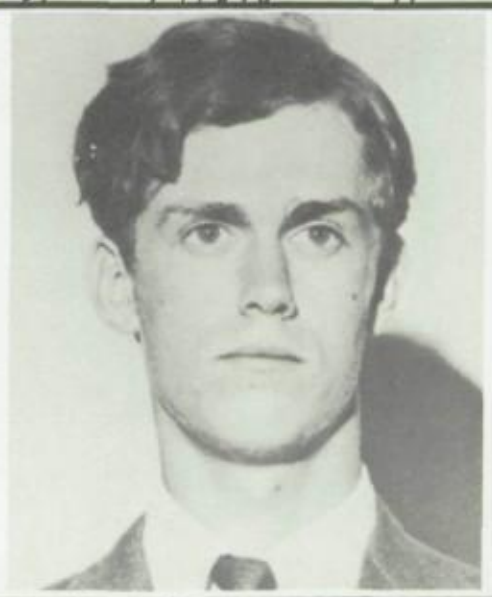
GARDEN GROVE High has been very fortunate in having such an outstanding faculty. With the administration, they have continued to carry out Argonaut tradition with their dedication and enthusiasm. They have taught the students and the students have, in turn, taught their teachers. Our faculty is of varied backgrounds and philosophies.

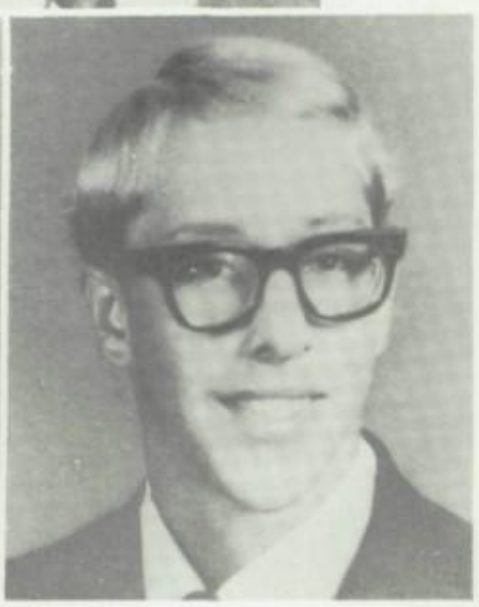


A TREMENDOUS illustration of the many versatile interests of our students is exemplified by our strong leaders in sports, academics and activities. Garden Grove High makes leaders and leaders are what make Garden Grove High.



WHERE WOULD Garden Grove High School be today without the many spirited Argos that have done so much for our school? These are the people behind the scenes and also up front that make our school years so enjoyable.





THE GOLDEN Anniversary Banquet was held at the Anaheim Convention Center on November 6. There were representatives from every class who were welcomed by Mr. Jerry Morrison. After dinner, former principals spoke of their memories of the school. Mr. Hoganson directed the concert and A'Cappella choir in a medley of period songs, after which everyone stood and sang the Alma Mater. The SPBB provided returning Argos music to reminisce by. A delightful time was had by all.

One seed can start a garden,

One drop can start a sea,

One doubt can start a hating,

One dream

can set us free.

Highest Honor

THE HIGHEST honor that a student at Garden Grove High School can receive is to be chosen "Most Worthy Argonaut".

The selection is made by the Administrative Council from nominees which are submitted by the faculty. Over all achievement and contribution to the school is the basis for final selection.

All six of the finalist have rendered outstanding performances in attitude, spirit, scholarship and participation. The final selection of "Most Worthy" is a difficult decision.

ONE OF the most loyal argos at Garden Grove High is Mr. Reed.

Coming to the Argo school in 1966, Mr. Reed has become a popular leader among both students and staff. He takes a personal interest in all who are around him, and gives much time to administrative duties as well.

Mr. Reed holds the Bachelor of Arts from Pasadena College and a Master of Arts from California State College at Long Beach. He has taught United States History, math, and speech. He has also served as an intermediate school principal, and high school assistant principal.

Mr. Robert Wallace came to GGHS this year as assistant principal from the same post at Pacifica High which he held for several years. He has already proved himself to be a loyal Argo by his service and support of our school.

Both assistant principals and principal are are helped by an experienced and efficient office staff. Their contribution to the function of the school is immeasurable.

THIS YEAR'S assemblies were at a minimum because of budget limitations. However, a great Christmas Concert was presented by our Music Department. Another Assembly was presented concerning that greatly popularized sport, SKIING!! Volunteers from the audiance were called upon to attempt to ski down an artificial ski slope covered with artificial snow. It was too bad, though, the participants bruises were not artificial!

ALMA MATER

Come stand forth Argonauts all,
Let Loyalty be our cry.
We'll pull together, steadfastly ever,
We'll all praise Garden Grove High.
We're looking ever forward,
Our best we strive to be,
We'll do what's right, with all our might,
For Argonaut victory. Rah! Rah! Rah!

Hail, Alma Mater
Let our cheers ring high.
Red and White forever,
Argonauts endeavor.
Hail, hail, hail.

FIGHT SONG

Fight on, mighty Argos!
Fight on, Red and White!
Fight on, mighty Argos,
Hit 'em hard and we'll win tonight.
Fight on, mighty Argos,
Fight on, Red and White!
Go! Go! Argos Go!
Mighty Argos, Fight On!

WE ARE THE ARGONAUTS

We are the Argonauts!
We couldn't be prouder,
And if you can't hear us,
We'll yell a little louder.

Noon Activities

THIS YEAR'S noon activities were controlled totally by the student body. Each event helped make lunch-time a little more interesting. Most everyone, for example, was on the edge of his seat anxiously anticipating the results of the ping-pong tournament. Those who weren't excited about ping-pong were pleased with the various performances of the rock-bands. And, throughout the year spirits were kept high by the many pep assemblies and pep rallies. Different sales also prevented a monotonous atmosphere, but if all failed, there were always good old rap sessions.

CRISTA WYSER

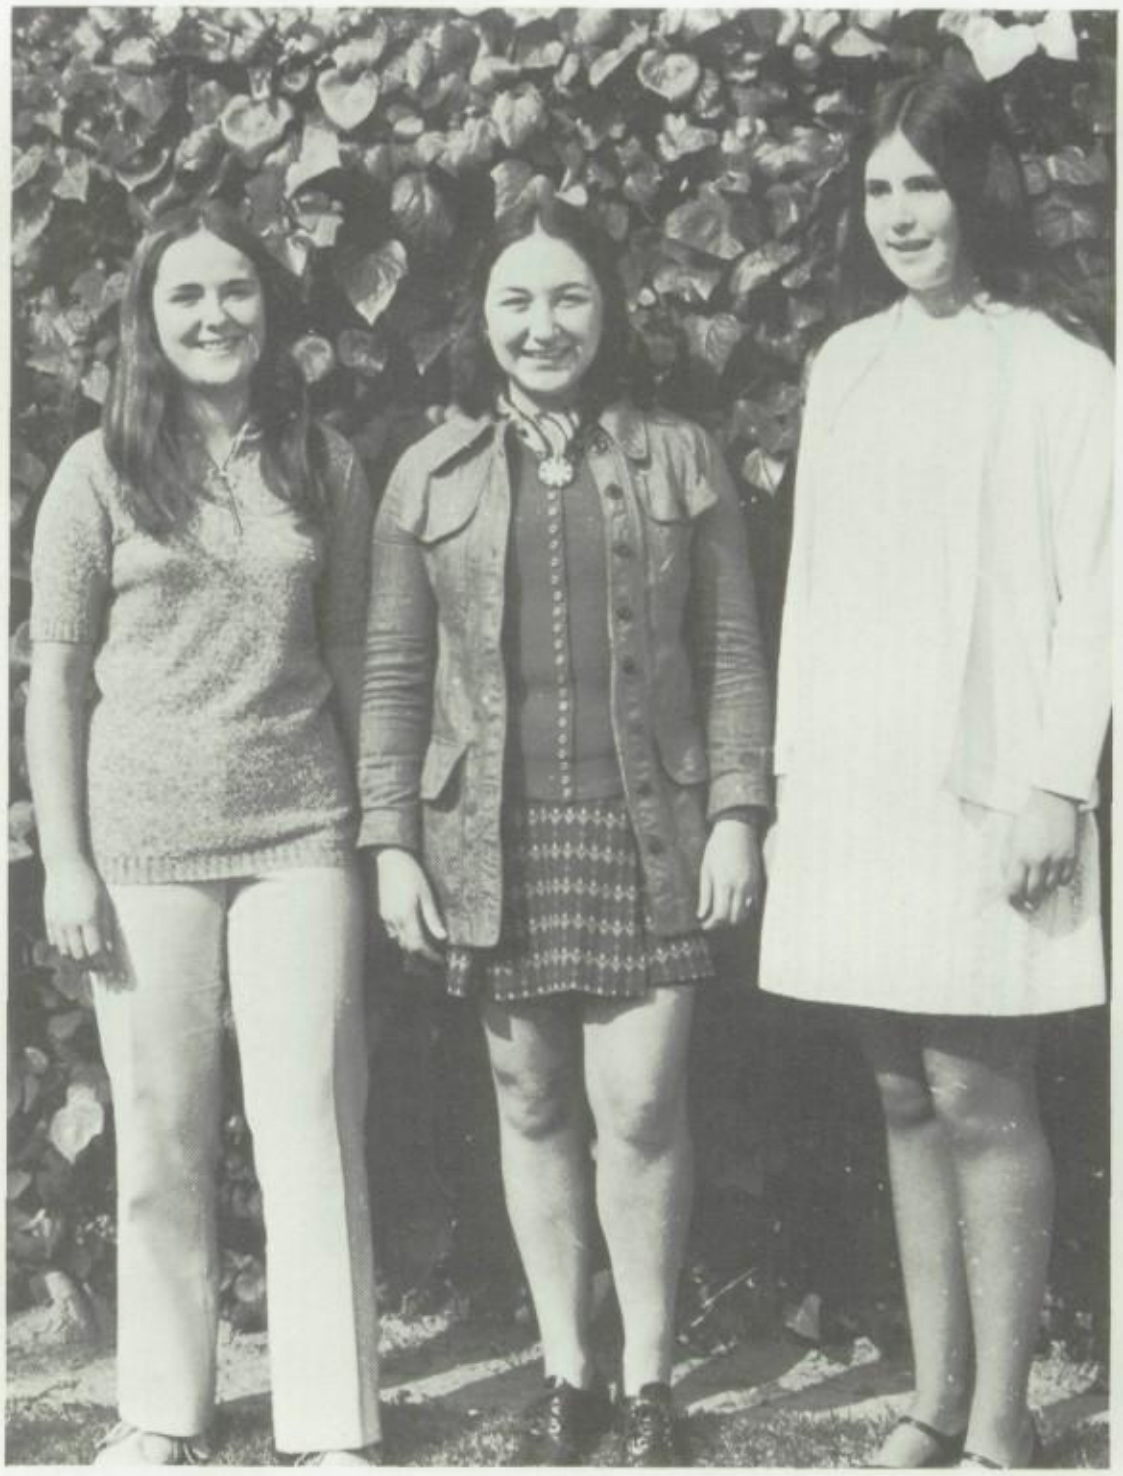
From Switzerland and living with Kathy Miller, is Crista Wyser. She loves G.G.H.S., the area "its close to the beach and the mountains", the food and sports. Crista had a hard time getting used to the smog and making really close friends. She finds that California isn't as wild as she thought it would be, but she digs it. Miss Wyser is also the number one lover of cake!

SOLANGE DUCLAUD

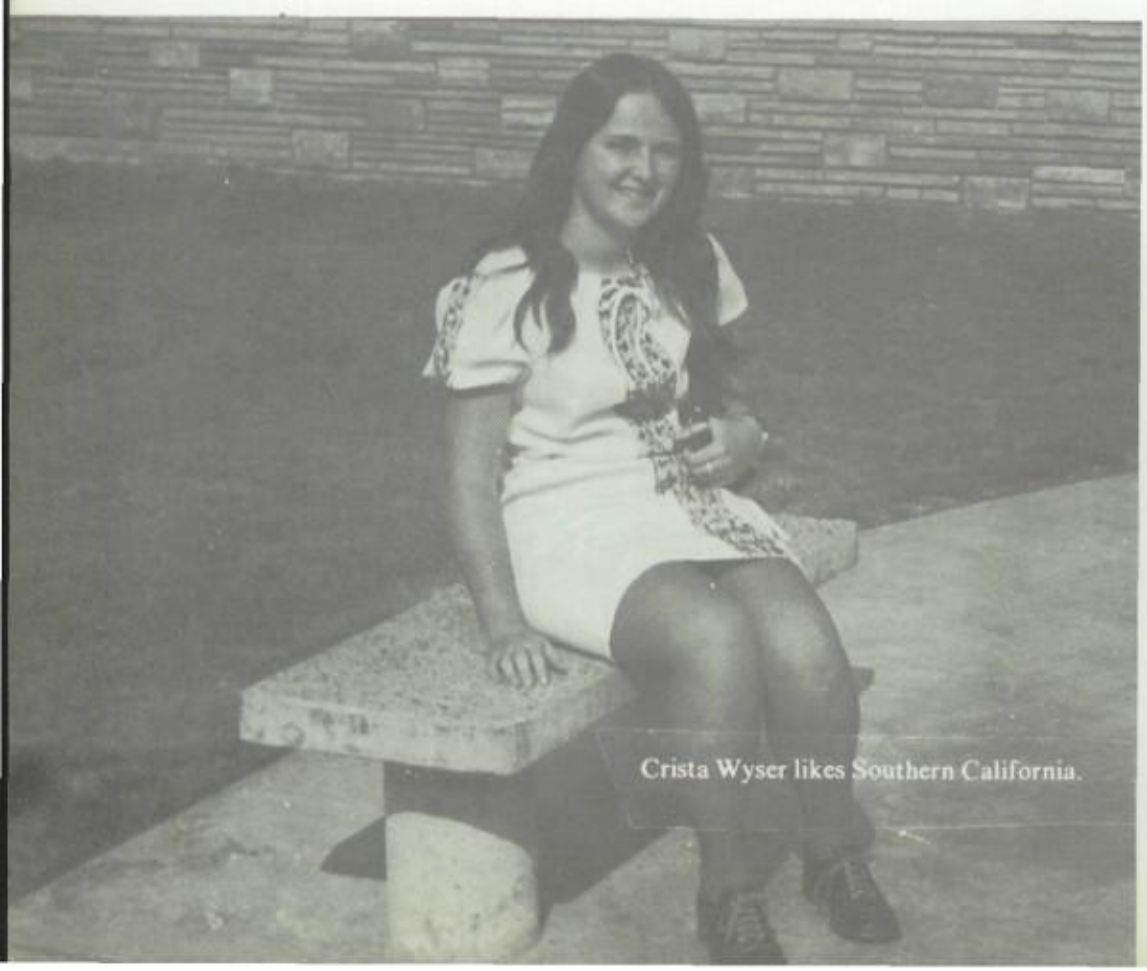
Eighteen year-old Solange Duclaud is from France but is currently living with Marg Ralston. Solange feels that California is relaxing. She loves Grove and all the sports we have here. One thing that Solange has discovered is that French guys are more romantic and friendlier than American guys. Participating in the play Blythe Spirit and in Girl's sports has been part of her life in America. Peanut butter, hamburgers and Judy Collins are AOK. in Solange's book.

XIMENA LOPEZ

Ximena is visiting us from Boliva. She is living with Mr. and Mrs. Meysenburg for her year in America. Ximena thinks California is really great but would also like to see New York. She loves the freeways here and the food and finds the Music Center to be 'where its at'. "Its Beautiful!"



Our wonderful Exchange students, Crista, Solange, and Ximena.



Crista Wyser likes Southern California.

Advisor Mr. McCluskey enthusiastically explains an idea to the staff.

Argolog

Newspaper Stays on Top of News

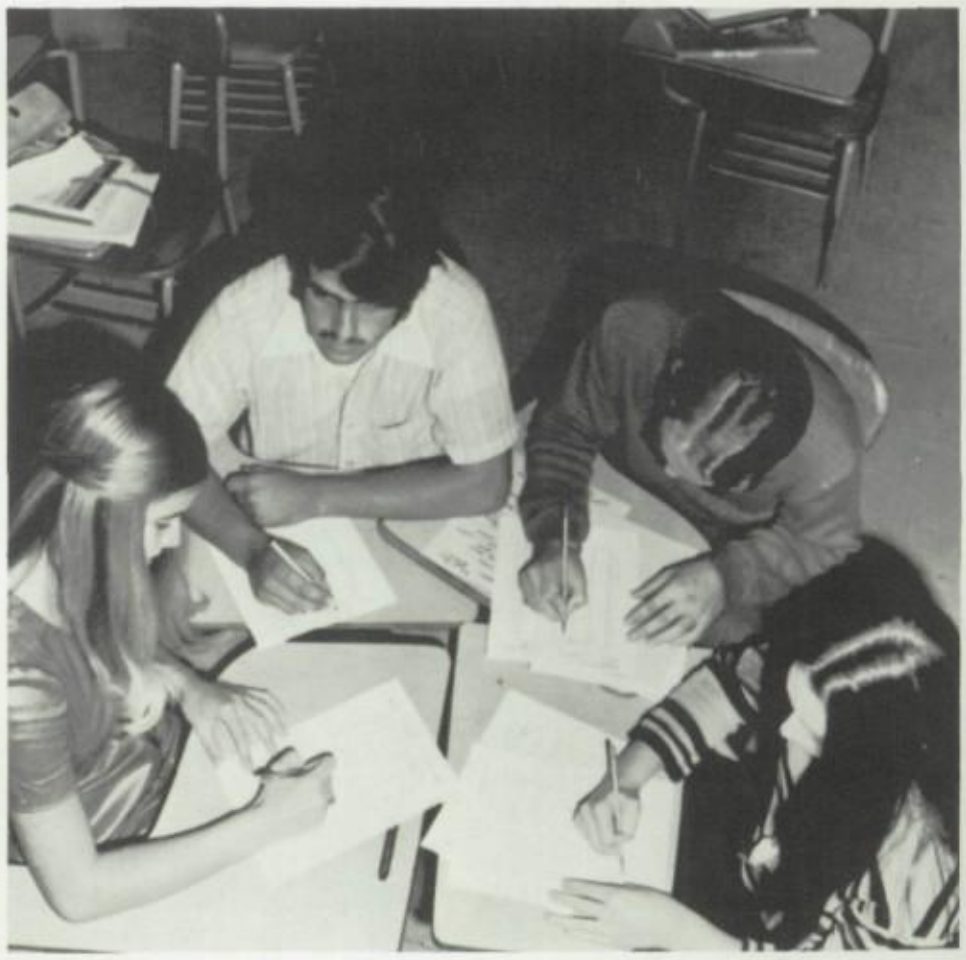
THIS YEAR, under the direction of Mr. McCluskey and Debbie Anderson, the Argolog staff devoted many hours of work to produce a successful newspaper. Each aspect of the many activities at Garden Grove High was emphasized by the staff.

The sports writers not only reported the game, but exemplified attitudes and goals of each team. The sports editor made sure no sport overshadowed representation of any other sport. GAA received equal representation and gained status in school activities.

In addition, the feature editor made certain that articles pertained to the interests of the majority. Stories pursued such topics as faculty, clubs, and major and minor activities. The editorial section of the Argolog was also concerned with discussing subjects pertinent to high school life. Opinions were supported by facts and the displayed imagination made the articles interesting, the news editor made sure that no information was ommitted.

Besides the outward results of final production, those associated with management spent much time in making the Argolog a working success. Their major goal was to make publication run smoothly, and they accomplished this feat. The Ediotr-in-Chief, Assistant Editor, and advisor strove for smoothness too, working successfully at having every aspect of the paper flow together.

Photographers John Malthouse, Glen Seibert, Tom Earnest, and Jim Rousseau interrupt their busy work for posing.



Planning for the next edition of the newspaper are page editors Kim McTighe, Emil Faithe, Tony Rhoads, and Helen Mayberg.

Office staff members Scott Gallacher, Jim Blackamore, and Brian Laughon are working diligently.

Assistant editor Ludy Hojo and Editor-in-Chief Debbie Anderson pleasantly discuss a past edition of the Argolog.

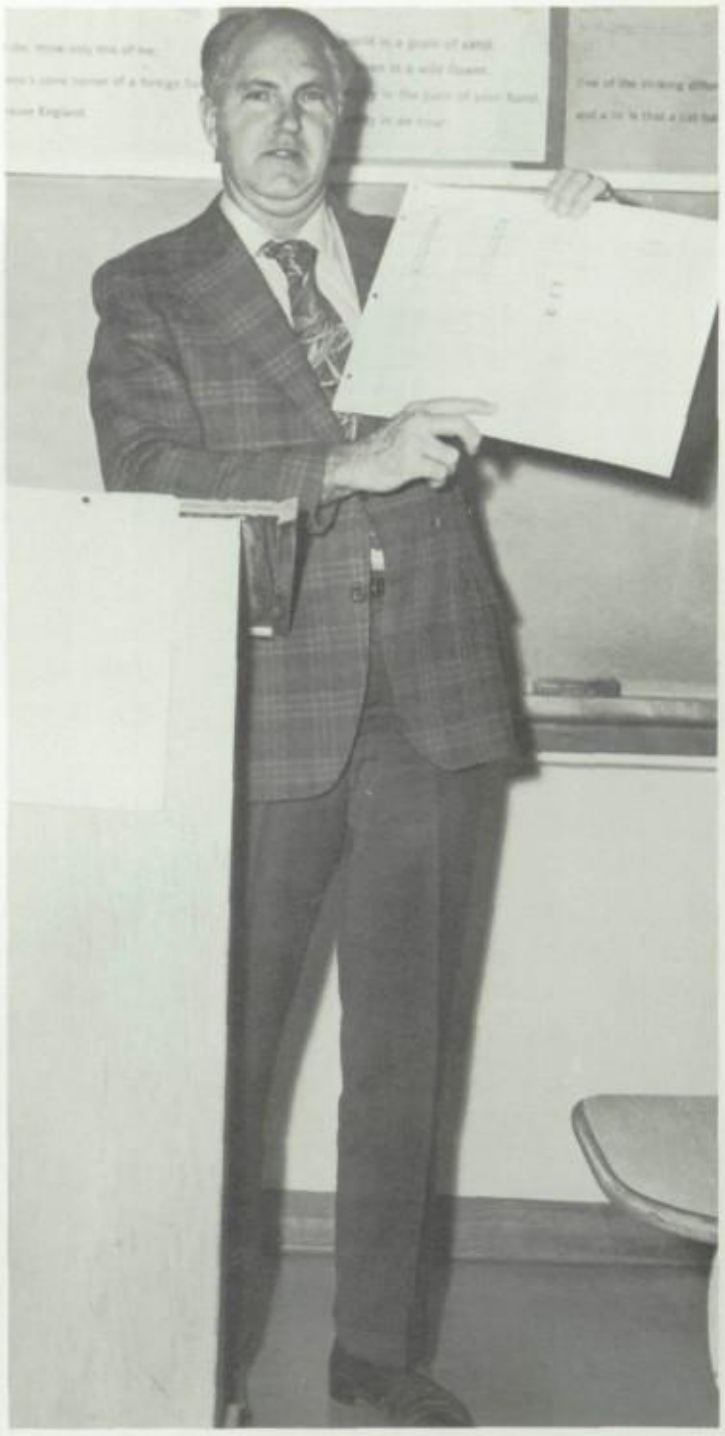
The staff that made certain the student body was kept thoroughly informed throughout the year.

Photo coordinator Pam Benner discusses contacts with photographers Mark Riddle, Ross McCart (head), and John Lytle.

Faculty Editor Lori Hix looks on as Debbie Doerr, Cheryl Alhadeff, history editor Anne Kieffer, and Donna Jenkins are busy at work.

Bob Rappaport and Craig Serapin pause in their work as business manager Bob Jameson explains an important detail to them.



Advisor Mr. Andrews discusses the ladder for the 1972 Yearbook with the staff.

Delia Carrasco and class editor Melodie Hessey work steadily at coordinating pictures with names.

Argonaut Staff Depicts All

THE 1972 yearbook clearly illustrates life at GGHS. Because the school's age gave added depth to its existence, Mr. Andrews and Anna Garcia emphasized portraying all angles of school life which the entire staff carried out.

Each section of the Argonaut worked for balanced representation. While the faculty editor portrayed the total staff from administrators to custodians, the activities editor depicted all events from homecoming to assemblies. When the class section was working to publicize the other classes as well as the seniors, the spirit section stressed picturing band and drill team as full as pep squad, and the sports and organizations editors made sure their prospective groups were equally represented.

The rest of the staff worked to tie the yearbook together. The finance department succeeded in completing its tasks while others organized the index division. The history editor and the Editor-in-Chief tied all portions of the Argonaut together through the theme, making the fiftieth edition of the yearbook a successful production.

Luanne Lawrence and activities-editor Judi Miller carefully select pictures for their section.

Boys' sports-editor Gaye Gurney, Cyndie Martin, and girls' sports-editor Linda Hammes plan their sections.

Co-editors-in-chief, Anna Garcia (above left), Ann Kieffer (below), and assistant-editor Sheryl McQuslity go about their work seriously.

Kim Anderson, Maggie Vasquez, and organization-editor Pam Pegueros plan layouts.

A.S.B. Cabinet

MUCH OF the life at Garden Grove High is determined by the Associated Student Body Cabinet. This group is obligated to each and every student—they must carry out all beneficial wants and needs. The results are evident in such things as the student store, homecoming and noon activities, assemblies, and financial standings. The three major Cabinet officers—President, Vice-President, and Secretary—are elected by the student body. These officers, in turn, select student from applications and interviews and appoint them specific duties as Cabinet members.

The ASB Cabinet practices the "togetherness" ideology.

Girls' League Attains Goals

AT THE beginning of the year, Judi Miller, Girls' League president, stated involvement as being the theme of this year. The entire organization, including sponsors Mrs. Long and Mrs. Daigle worked hard to carry this out.

The Girls' League's first activity was selling homecoming corsages which they made out of gold chrysanthemums. They also established a Christmas card mailbox and a singing valentine service.

Besides these selling-projects Girls' League sponsored two major dances, the Sadie Hawkins in November and the Co-ed in February. The Co-ed was a formal event held outside the school grounds.

The girls were also in charge of Girl-of-the-Month elections. Every girl was eligible to be a candidate. Girls' League sponsored other activities including a service project of which the group invited anyone who was interested to participate.

To end an active year, a banquet was held for the members of Girls' League.

MARTY DOSSETT led this years marching band, Flag and I.D. Unit through a hectic year. Mr. Edwards acted as director throughout the parade season in which they won Sweepstakes at Chaffey and Bellflower band reviews and fourth place at West Arcadia. In the Chaffey Drum Competition we also received 1st place. Mr. George Taylorson took over the band for the last semester in which they hosted the Strawberry Festival parade. Even with the many changes the band went through, they still maintained a successful year.

OUR VARSITY water polo team enjoyed a successful year with an over all record of 15 wins and 5 losses and a 6 win and 0 loss league record. Our league champion team advanced to the second round of the C.I.F. playoffs before falling to a strong Downey team. Team Captain, Jeff Connell, and Larry Robrtson provided most of the scoring power. Ron Wilson, John Bowman, Bob Rassmussen, Tim Wildes, Daryl Hann, and Kurt McGill, formed a tough defensive unit and an effective ball control club. Goalies Steve Bartol and Bill Fisher kept our team strong in this important position.

THIS YEAR'S Sophomore basketball team displayed fine effort and ability throughout the season. Developing skill was evident in each game, and spectators were kept on the edge of their seats by the close competition with their opponents.

Team members were rewarded at the end of the season at their annual banquet. Specific awards were given to Jeff Vaughn (Most Valuable Player), Don Caskey (Most Improved Player), Scott Borie (Captain), and Jim Dew (Best Defensive Player). In addition, Coach Van Cleave was pleased with the individual improvement of all members of his team.

Frosh Basketball

AT THE annual basketball banquet, the outstanding Frosh roundballers were recognized. These included Steve Baskin, who received the "Most Valuable Player" and "Captain's" awards; Kim Sharon, who was named as the "Most Improved Player"; and Dan Richardson, who emerged as the "Best Defensive Player." However, Coach Van Cleave was most impressed with the over-all team improvement. This improvement was obvious in the team's many games where both spirit and scores were high.

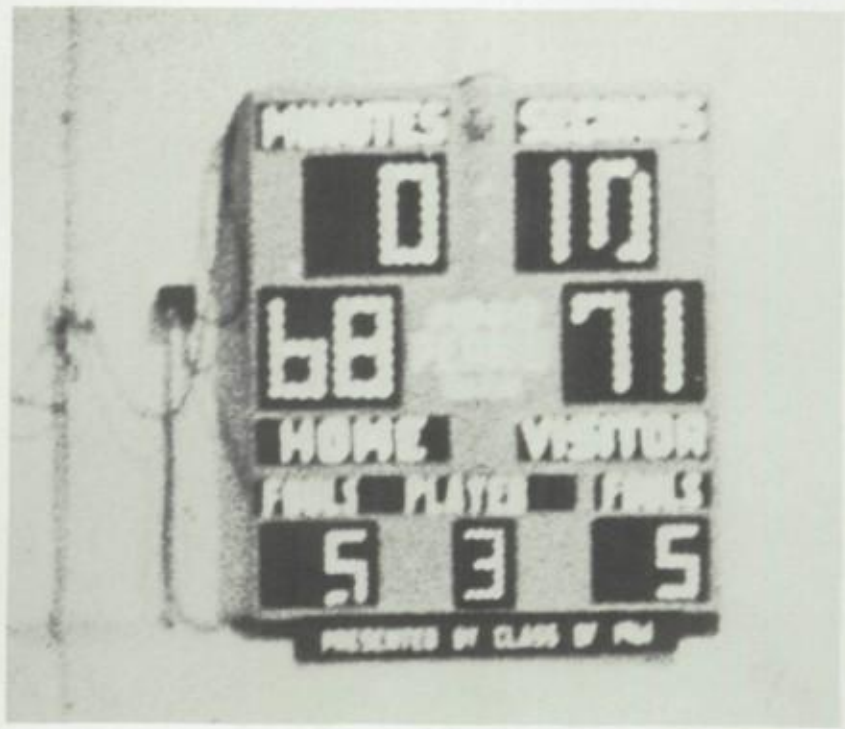
FOR THE first time since 1969 the Argos went to C.I.F. The Cardiac Kids met California High in the first round of the C.I.F. playoffs at our own home gym. Though our boys failed to defeat Cal High, they made a good showing with a final score of 69-71.



The clock keeps ticking on.
